SUMMARY OF SCHEDULED MEETINGS

Wednesday, 18 September 1991

GENERAL ASSEMBLY

Forty-sixth session

GENERAL COMMITTEE 1st meeting

Organization of the forty-sixth regular session of the General Assembly, adoption of the agenda and allocation of items; memorandum by the Secretary-General (A/BUR/46/1 and Add.1)

The General Committee decided to draw the Assembly's attention to the provisions reproduced in annexes V, VI, VII and VIII of its rules of procedure.

Organization of the session (Section II)

Section II.A

The General Committee took note of rule 40 of the rules of procedure, General Assembly decision 34/401 and General Assembly resolution 39/88 B and the annex to resolution 45/45.

Section II.B

The General Committee took note of paragraphs 5 and 6 in the memorandum of the Secretary-General, A/BUR/46/1 and Add. 1.

In connection with paragraph 7, the General Committee drew the attention of the General Assembly to paragraph 5 of the annex to General Assembly resolution 45/45.

In connection with paragraph 8 the General Committee reminded Member States that cost reducing measures continued to be in effect.

Section II.C

The General Committee decided to recommend to the General Assembly that the forty-sixth session should recess on 17 December 1991 and close on 14 September 1992.

The General Committee decided to inform the General Assembly of the President's appeal to the Main Committees that they start their work as soon as possible.

Section II.D

The General Committee decided to recommend to the General Assembly that all plenary meetings as well as meetings of Main Committees should begin at 10 a.m. promptly.

The General Committee decided to recommend that, in order to avoid the late start of meetings and as a cost-saving measure, the General Assembly should waive again the requirement of the presence of at least one third of the Members to declare a plenary meeting open and permit the debate to proceed, and one quarter of the Members to declare a meeting of a Main Committee open and permit the debate to proceed. This recommendation was made on the understanding that such a waiver would not imply any permanent change in the provisions of rules 67 and 108 of the rules of procedure pertaining to the opening of meetings.

The General Committee agreed to recommend to the General Assembly that delegations should designate someone to be present at each scheduled meeting and each delegation should be reminded of the importance of punctuality.

Section II.E

The General Committee endorsed the suggestions contained in paragraphs 13 and 14 concerning the duration of the general debate (beginning 23 September and ending 10 October) and the closure of the list of speakers (to close 25 September at 6 p.m.). The President urged that representatives take the floor in the order in which they appeared on the list of speakers and that they would otherwise be put at the end of that list for the day.

The General Committee decided to draw the Assembly's attention to paragraph 15 and the Assembly's decision taken at previous sessions, that the practice of expressing congratulations inside the General Assembly Hall after a speech that had been delivered was prohibited. It decided to recommend to the Assembly that the provision should also apply to the forty-sixth session. It further recommended that speakers in the general debate exit the Assembly Hall through Room GA-200 located behind the podium.

Section II.F

The General Committee decided to draw the Assembly's attention to paragraphs 6, 7 and 8 of its decision 34/401, concerning explanations of vote and rights of reply.

The General Committee decided to draw the attention of the General Assembly, as it did at recent sessions, to rules 72 and 114 of the rules of procedure and paragraph 22 of annex VI thereof for appropriate action in plenary meetings and the Main Committees.

Section II.G

The General Committee decided to recommend to the General Assembly, regarding the records of meetings, that the practice whereby the Special Political Committee may obtain, on specific request, transcripts of the debate of some of its meetings, or portions thereof, should be maintained.

The General Committee also decided to recommend to the General Assembly that its decision not to reproduce *in extenso* statements made in a Main Committee should be maintained for the forty-sixth session.

Section II.H

The General Committee was informed of the seating arrangements to be observed during this session.

Section II.I
